

# *In Mother's Consciousness*

On Mother's Birthday

by Garry Jacobs

Feb 21, 2011

**To celebrate the birth of a transitory body can satisfy some faithful feelings.**

**To celebrate the manifestation of the eternal Consciousness can be done at every moment of the universal history.**

**But to celebrate the advent of a new world, the supramental world, is a marvelous and exceptional privilege. 21 Feb 1958**

To bring God down to the world on  
earth we came,  
To change the earthly life to life divine.

No Words, Acts

**Sri Aurobindo's message is an immortal  
sunlight radiating over the future.**

**15 Aug 1972**

The manifestation  
of the Supramental  
upon earth is no  
more a promise,  
but a living fact, a  
reality.

24 April 1956

**There are two powers that alone can effect in their conjunction the great and difficult thing which is the aim of our endeavor, a fixed and unfailing aspiration that calls from below and a supreme Grace from above that answers. (Sri Aurobindo in *The Mother*)**

The earliest formula of Wisdom promises to be its last,  
-- God, Light, Freedom, Immortality.

**All problems of existence  
are essentially problems  
of Harmony**

**To walk through life armoured against all fear, peril and disaster, only two things are needed, two that go always together – the Grace of the Divine Mother and on your side an inner state made up of faith, sincerity and surrender. (The Mother, Chapter 3)**

**Through Avidya, the Multiplicity, lies our path out of the transitional egoistic self-expression in which death and suffering predominate;**

**Through Vidya consenting with Avidya by the perfect sense of oneness even in that multiplicity, we enjoy integrally the immortality and the beatitude.**

***The Life Divine***

**The progressive  
revelation of a  
great, a  
transcendent, a  
luminous Reality  
...  
is the meaning of  
the universe.**

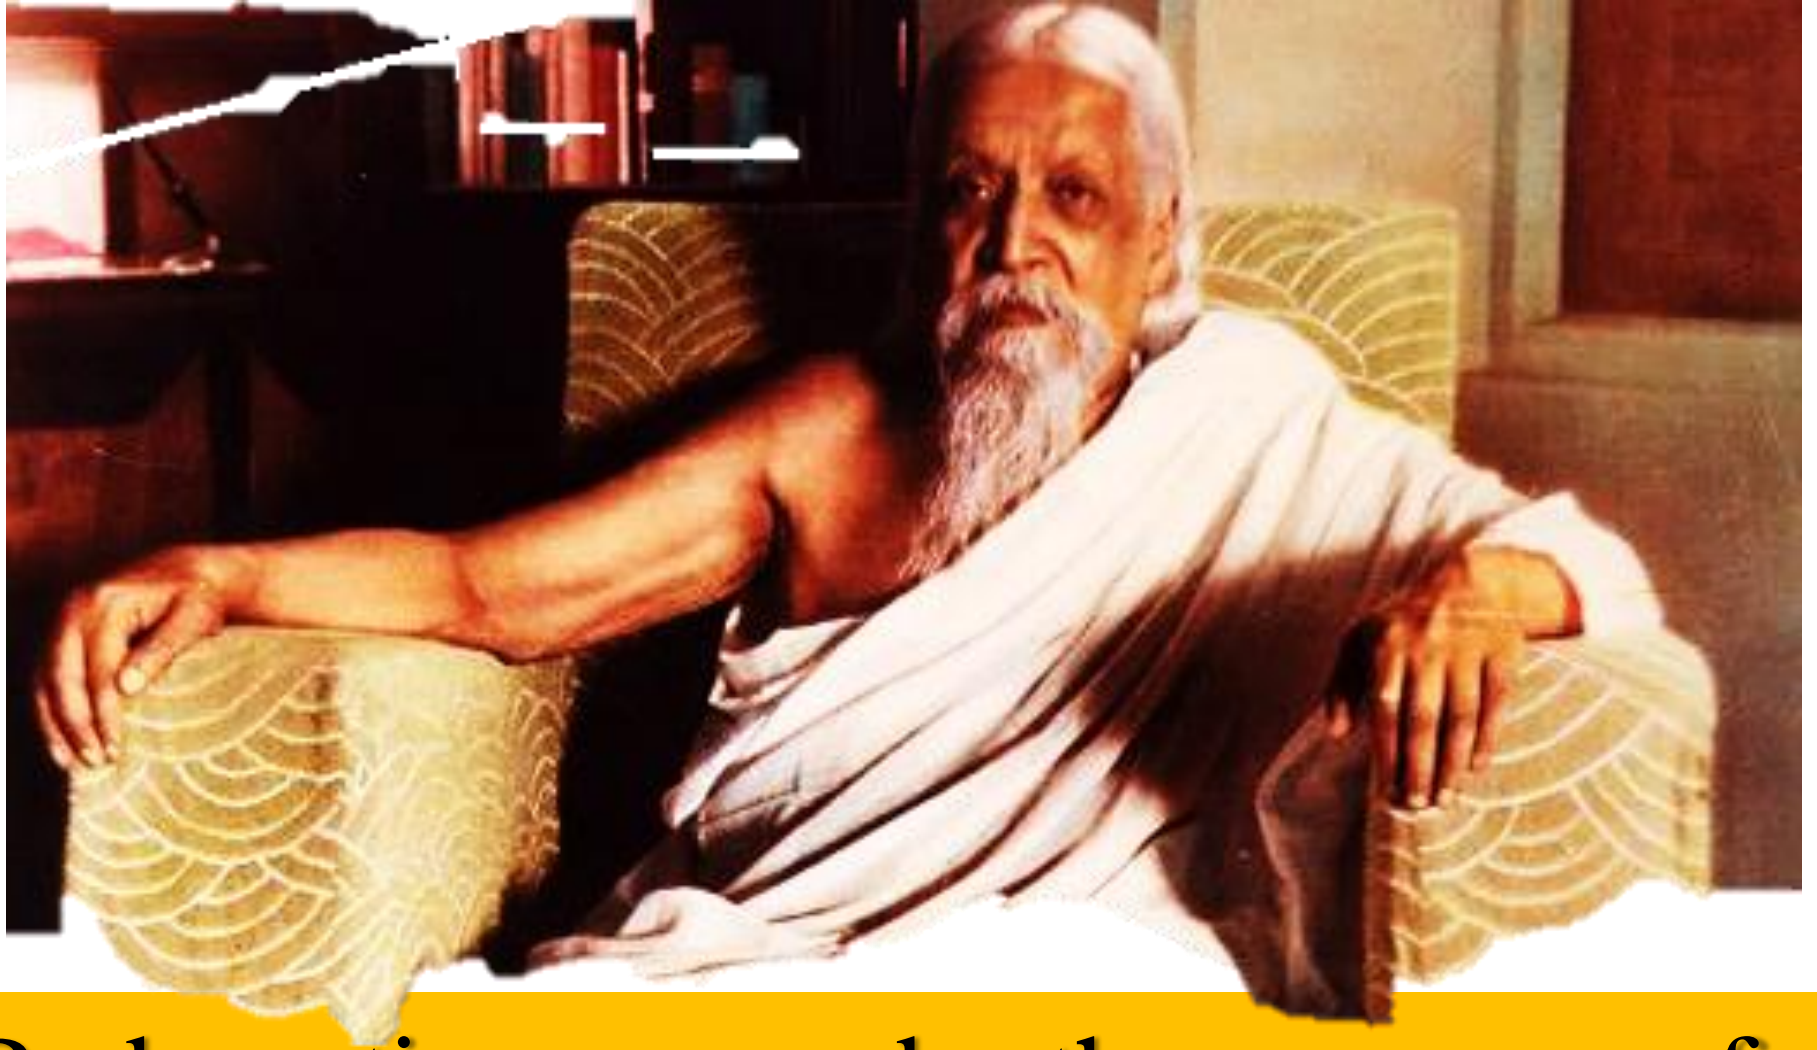

**A existence wholly self-aware and  
entirely master of itself realizes itself in  
form, unfolds itself in the Individual**

**The universal and the individual are the two essential appearances into which the Unknowable descends**

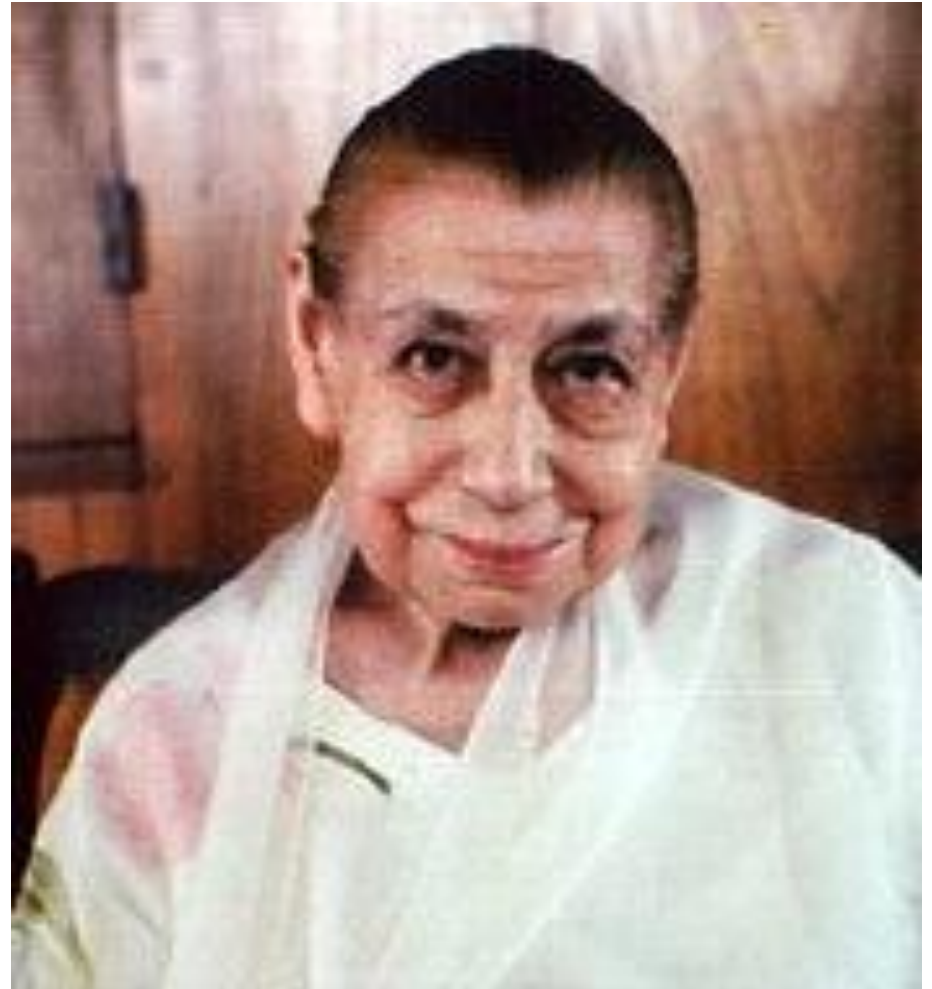

**God having entirely become Nature, Nature seeks to become progressively God**

Redemption comes by the recovery of the universal in the individual and the spiritual term in the physical.

If you always smile at life, Life  
will always smile at you.

**When you are conscious of the whole world at the same time, then you can become conscious of the Divine.**

**Jan 1, 1**

The more we  
advance on the  
way, the more  
the need of the  
Divine Presence  
becomes  
imperative and  
indispensable.

21 Feb 1973

**Let the light of Truth be born upon earth from today and  
for ever.**

**21 Feb 1953**

**The Truth is in us, we have only to become aware of it.**

**1954**

**Take Truth for your force, take Truth for your refuge.**

**1958**

**Salute to the advent of Truth.**

**1965**

**Men, countries, continents! The choice is imperative:  
Truth or the abyss.**

**1967**

**The best way to hasten the manifestation of the Divine  
Love is to collaborate for the triumph of the Truth.**

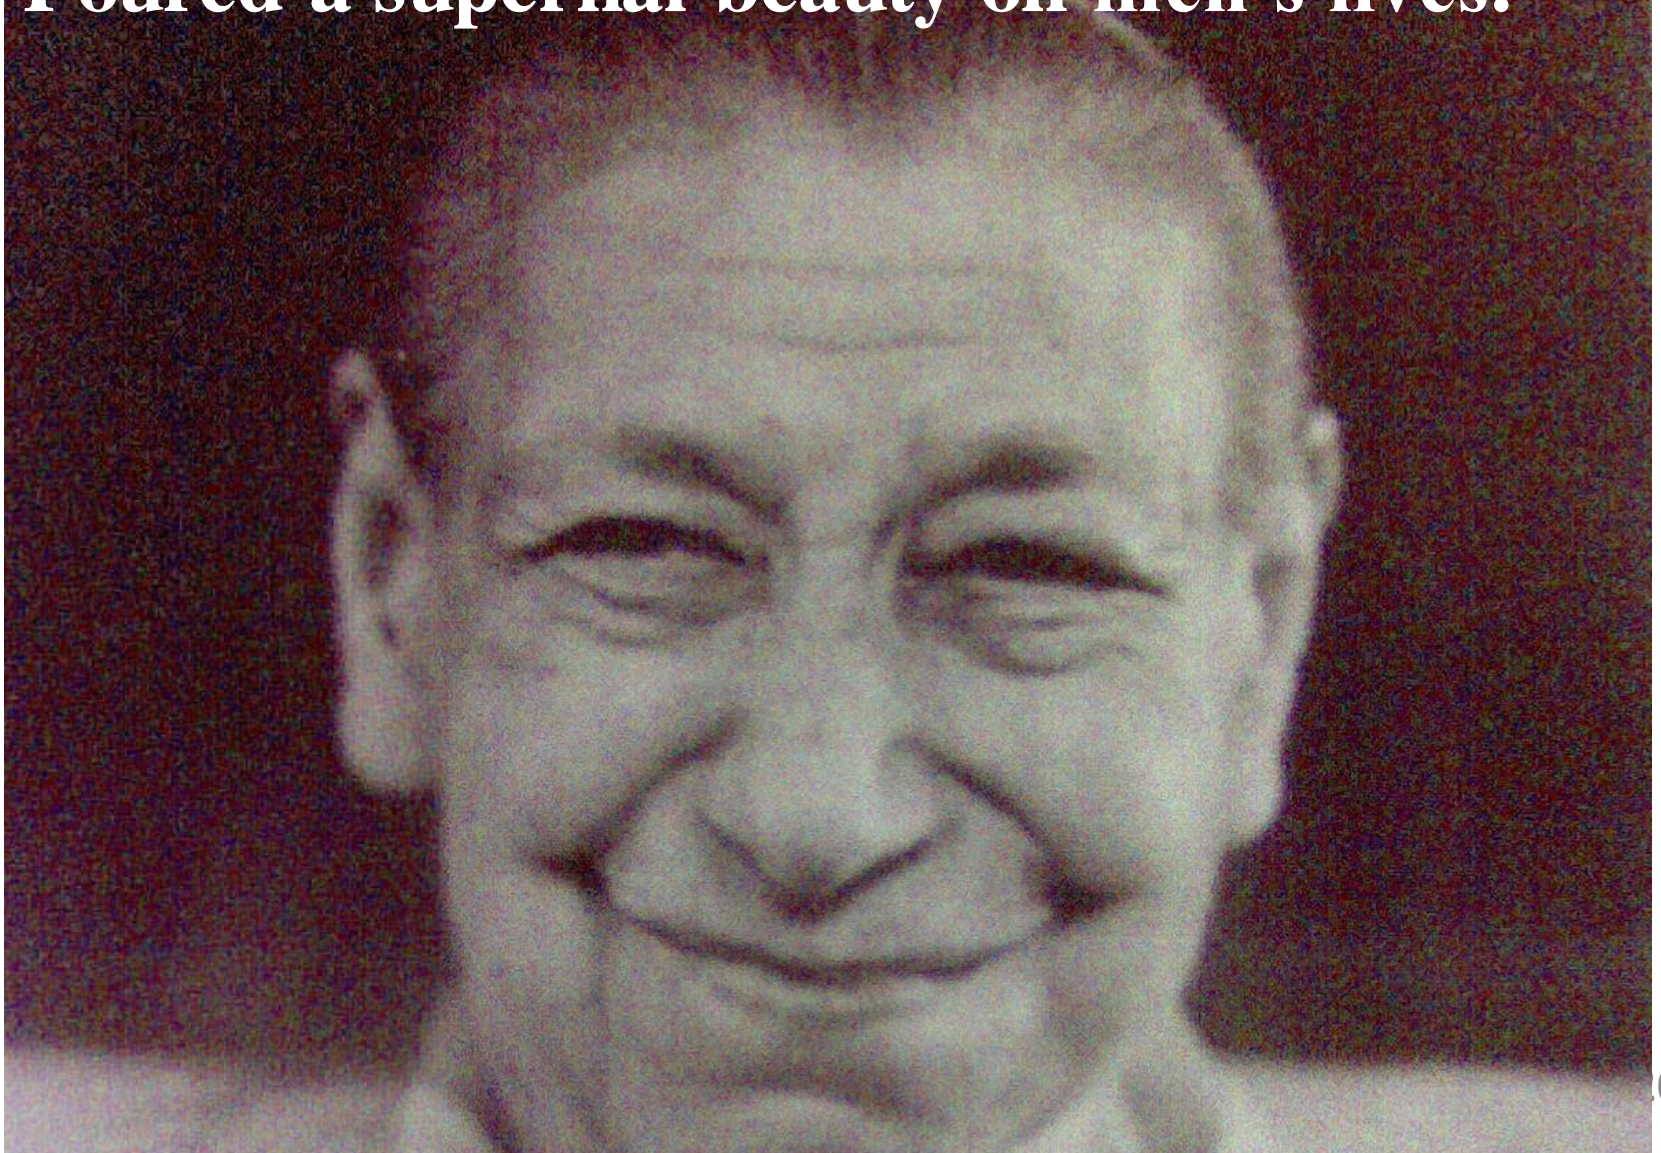

**21 Feb 1968**

**Truth alone can give to the world the power of receiving  
and manifesting the Divine Love.**

**29 Feb 1968**

**Her look, her smile, awoke celestial sense,  
Even in earth stuff, and their intense delight,  
Poured a supernal beauty on men's lives.**

**A deep of  
compassion, a  
hushed sanctuary,  
Her inward help  
unbarred a gate in  
heaven, Love in  
her was wider  
than the universe,  
The whole world  
could take refuge  
in her single heart.**

The Supreme Love was manifesting through big pulsations, and each pulsation was bringing the world further in its manifestation. It was the formidable pulsations of the eternal, stupendous Love, only Love: each pulsation of the Love was carrying the universe further in its manifestation. ...Only Love, and Love, and Love, and Love – immense, formidable, stupendous, carrying everything. I was at the Origin – I WAS the Origin. It was stupendous.

A life consecrated to union with the Divine is the  
only life worth living. 21 Feb 1971

There is no greater joy than a consecrated living.
